## EDUCATION

### BE in Computer Science

Vasavi College Of Engineering

07/2018 - Present

9.57 GPA

#### Courses

- Programming in c, c++, python, Java
- Operating System
- Microprocessors and Computer Architecture
- Data-Structures and Algorithms
- DataBases

## PERSONAL PROJECTS

### Restaurant Website (05/2020 - 06/2020)

- This website is made based upon CSS, BOOTSTRAP, HTML, REACT..And it is great looking website , could help any restaurant owner to scale up there business range.

### Highly secured Data-Base (09/2018 - 10/2018)

- Created a database in c to safe guard our important files. This database can accessed only by means of secure password which varies based on time. It is impossible override it by anyone.

### Smart Water Heater using Arduino & Nodemcu (02/2019 - 03/2019)

- I made a smart water heater which was capable to set desired temperature to water and could raise an alert to user about conditions. And after reaching threshold limit it could shut it self down.

## WORK EXPERIENCE

### Associate Software Intern

Tedbeats

07/2020 - Present

hyderabad

A small startup developing products for clients

#### Achievements/Tasks

- I was crucial member in developing app for food delivery.
- Created a learning management system for college.
- I worked on react.js, spring-boot .

## SKILLS

Machine learning & deep learning

Data structure and Algorithms

C++

Python

Spring boot

Web-development

Database

App development

Java

react js

## ACHIEVEMENTS

3 rd at UI Hackathon (06/2019 - 01/2020)

Technical event held on Engineer's day

Academically i was good at college (06/2019 - Present)

i stood as topper from my 1st semester till now

## ORGANIZATIONS

Street Cause (09/2019 - Present)

Vice President

## CERTIFICATES

Programming, Data Structures and Algorithms Using Python (06/2019 - 01/2020)

I stood as topper with an aggregate of 91%

Joy of computing using Python (01/2019 - 06/2019)

I stood as topper with an aggregate of 92%

Specialization of Machine Learning and Deep learning (06/2020 - Present)

Specialization in Web apps (06/2020 - Present)

## LANGUAGES

English

Native or Bilingual Proficiency

Telugu

Full Professional Proficiency

Hindi

Full Professional Proficiency

## INTERESTS

Painting

Web-designing

playing Chess
